The Lake County History Center was one of the last operating "poor houses" in Ohio. There are 15,000 sq. feet of exhibit spaces, exquisite Victorian décor, special events and Holiday Programs. Groups will delight in the "Victorian Showcase" rooms that bring the richness of the 1880's life style into focus. The **Magical Musical Machines** exhibit will allow your group to not only see but hear the music from these turn of the century music boxes on permanent loan from the Music Box Society International. **2011 Exhibits:** Civil War Focus including music and fashions, Hello Dolly World of Miniatures, Electric Millionaire, & More
