

LAKE COUNTY OHIO,
LAKE ERIE EAST'S COASTAL GETAWAY OASIS

Lake County is on the east side of Lake Erie and often confused with western areas of Lake Erie.

Lake County is east of Cleveland off Interstate 90, offering a wide ranging array of Lake Erie beaches and nature preserves, county and metropolitan attractions, niche venues, boutique and renovated or new hotels and renowned special events.

Lake County is the quiet, relaxed destination. Lake Metroparks annually provides nearly three million visitors with countless recreational and educational experiences at diverse facilities including an agriculturally themed park, a nature center, a state-of-the-art education and wildlife rehabilitation center, two golf courses, five parks on Lake Erie's shoreline and a cross-country ski center. Lake Metroparks maintains currently more than 43 miles of trails throughout Lake County, including a 4.8 bike/hike trail.

Fresh air awaits visitors along Lake Metroparks trails! Explore hemlock ravines, open meadows, mature forests, and the Lake Erie shoreline. Most trails are gravel-surfaced; some are hard-surfaced and suitable for strollers and wheelchairs; and some include steps and inclines that challenge any hiker. Horses and bicycles are permitted on specially designated trails, and dogs on a leash are welcome at most parks. Hiking trails are open every day of the year and specific hours are posted.

Think you might like to try bicycling off-road? Enjoy the scenery of Lake Metroparks as visitors explore a variety of terrain including paved, gravel and dirt trails.

On the waterfront at Fairport Harbor Lakefront Park, visitors enjoy kayaking, canoeing, sailing, and boating. Lake Metroparks offers a wide variety of boating programs year-round for all ages and abilities. Their fleet of over 60 boats includes canoes, sea kayaks, single and double sit-on-top kayaks, Jon boats, mono-hull and Hobie-Cat sailboats, and personal watercraft or PWCs (wave runners). Lake Metroparks offers all levels of instruction with every type of boat in its fleet, from the never-ever boater to avid boat owners who wish to improve their boating skills. Kayak rentals are also available. Call (440) 639-9972 for availability.

During the winter months, the lake-effect snows of Northeast Ohio transform Lake Metroparks into a winter wonderland; the beauty of the fresh-fallen snows along the trails is such a beautiful sight to see. Recreational opportunities include cross-country skiing, snowshoeing, and sledding.

Approximately six miles of terrain challenges every ability, from Novice to Intermediate. The Pine Lodge Ski Center is opened and staffed when weather, snow accumulation, and conditions warrant opening (four inches of snow needed to ski on).

Before visiting the center, call the Winter Sports Hotline for daily ski conditions and snow accumulation reports and to confirm the center is open for the day at (440) 954 4178 or follow daily updates on Facebook and Twitter.

The trails at Chapin Forest Reservation are groomed regularly. Approximately one mile of lighted trail will be lit nightly to accommodate the skiing public, weather permitting. The lights stay on until 9 pm when the when the ski conditions are good for skiing.

Snowshoes and cross-country skis are available for rent on a first-come, first-served basis. Lake Metroparks offers cross-country ski rental equipment and lessons, groomed ski trails, snowshoe rentals, fireplace, accessible restrooms and concessions. The ski center is open during the winter months; weather permitting, from approximately November 15 to March 15.

The Holden Arboretum is a living museum of woody plants, one of the largest arboreta in the USA with 3,600 acres. Holden's gardens and collections comprise about 600 acres, while diverse natural areas and ecologically sensitive habitats make up the remainder. A Main Feature of the overall landscape design is the integration of the natural areas and the collections in a process known as site-bending, which gives Holden its unique character.

Holden, designated an Important Bird Area by the Audubon Society in 2004, features over 20 miles of hiking trails through forests, meadows' gardens, ponds and lakes.

With over 20,000 accessioned plants, Holden's collection is extensive. Collections of note are the conifer, Magnolia, Crabapple, Nut Tree, Lilac and Viburnums. Hours are 9am-5pm daily.

The Lake County region is the largest winery district in Ohio, attracting increasing visitors who appreciate Lake County's New England/Napa Valley ambience.

The Lake County Wine and Vines Trails attracts about 10,000 leisure travelers every week during the heights of the tourist season. All year now is winery season, with monthly activities and themed dine-arounds.

Lake County has Ohio's largest estate winery, Chalet Debonnè Vineyards, with 130 acres of vines, growing 600 tons of grapes for 26 different varieties.

Just next door in Geneva is Ferrante's Winery and Ristorante and South River Winery, a boutique winery housed in a church, moved piece by piece from Shalersville, Ohio.

Lake County hosts the Vintage Ohio Wine Festival, August 5-6, 2011, at Lake Metroparks Farmpark. Over 20 Wineries offer samples attracting 30,000 visitors from across the tri-state region and beyond.

The Grand River Valley in the Lake County region is a little piece of viticultural heaven-on-earth formed thousands of years ago when glaciers carved out the Great Lakes and deposited a ridge of fertile soil ideal for the cultivation of vineyards.

Like the Mossel, Bordeaux and the Sonoma/Russian River Valley, the gently rolling landscape of the Grand River Valley American Viticultural Area (AVA) benefits from a climate

moderated by the thermal effects of a large body of water, in this case, Lake Erie to the north.

New to Lake County is the Western Reserve Model Railroad Museum in the City of Mentor. The museum has 19,000 square feet of interactive operating trains, with 16 different scales, the largest in the world.

The train museum has the largest American Flyer operating display in the world, plus the largest O gauge layout on public display.

The Lake County Speedway just became Northeast Ohio's only NASCAR sanctioned racetrack.
