In the Spring of 2007, Thunder Hill Golf Club in Madison Ohio, proudly re-opened the Little Thunder Golf Course and Learning Center (a non-profit 501c3).

Thunder Hill ([www.thunderhillgolf.com](http://www.thunderhillgolf.com)) is under new ownership in '07 (TK Golf), and one of the first priorities of the new ownership team was to bring the Little Thunder Foundation back to its previous glory.

Children between the ages of 6 and 12 years of age are in their character building and most formative stage of their lives, and yet all we expose them to is a contact sports or team sports where winning seems to be the most important. Golf truly is a very special, fun way of introducing all of the cherished (but seldom seen) characteristics and personal and social traits to our children. The list of golf's lessons and the things "Little Thunder" will teach are manners, consideration, respect, patience, concentration, self-confidence, sensitivity to his/her environment, sportsmanship, honesty and great comraderie. We know golf isn't for everybody, but at least let's give our kids and parents a chance, an option, and an opportunity to add some balance to their lives. Less than 3% of kids play golf—mostly because they have no place to play. And how many amateur and professional golfers do you hear about getting into trouble?

With the willing helpful hand of all our contributors and sponsors, we will create a superb "Kid's Golf Facility" that will serve as a model for other communities to follow.

- The Little Thunder Kids Golf Course ([www.littlethunder.org](http://www.littlethunder.org)) is the only 18-hole golf course designed and built specifically for 6-12 yr olds.
- 60 acres, 3160 yd, 62 sandtraps, 4 ponds, rolling greens gives kids, juniors, seniors, & other grownups a real challenge.
- Our approx. 6 acre Learning Center, with an 18,000 sq. ft. green, has golf instruction for all ages and can provide group instruction for birthdays, corporate outings, fundraising events, etc.

- At \$10 for kids and \$15 for accompanying grownups for ALL DAY, EVERYDAY GOLFING it's a value that can't be beat!
- The course is exactly like a grownups course, just half the length (shortest at 46 yards, longest at 310 yards)! Many different instructional classes, clinics, all-day golf camps, etc. are setup for all age groups; please call or see our website for calendar listings.
- We are in the process of establishing youth instructional leagues for disadvantaged children in the community. We are also establishing Seniors and Ladies leagues, and provide "accessible golf", enabling those with physical and mental disabilities who wouldn't normally get to play golf an opportunity to play.
- Through cooperation and sponsorship from community members and grants, our ultimate goal is that these youth clinics will be free of charge for the participants.

Many of our kids don't have the financial means to afford golf equipment to play. We are currently seeking equipment donations, in kind donations and corporate sponsorship

We are currently offering a number of sponsorship opportunities including but not limited to:

- Hole Signage
- Souvenir Yardage Book advertising
- Selected Event Sponsorship
- Website advertising
- Clubhouse signage
- Learning Center Signage
- In kind donations

The course is located just 28 miles east of Cleveland in Madison, Ohio 2 1/2 miles south of I-90 on St. Rt. 528 (Madison exit). Maps are on our website too. The Pro shop phone is 440-298-3096 (April through Oct).

You can also reach our Marketing and Community Outreach team, Buckeye Sports Management on 614-985-3637 to discuss these options.
